BOARD MEMBER

APPOINTMENTS/REAPPOINTMENTS

The Board for Licensing Health Care Facilities had the following new Board member appointment, Dr. Lisa Piercy, hospital administrator at the October 4th, 2017 Board meeting.

CURRENT COMPOSITION OF THE BOARD

The Board for Licensing Health Care Facilities is composed of the following members: René Saunders, MD, chairman; Roger Mynatt, nursing home industry representative; Carissa S. Lynch, Pharm.D., doctor of pharmacy representative; Dr. Lisa Piercy, hospital administrator representative; Thomas Gee, hospital administrator representative; Paul Boyd, consumer representative; Jennifer Gordon-Maloney, D.D.S., oral surgeon representative; Kenneth R. Robertson, MD, physician-surgeon representative; Annette Marlar, R.N., registered nurse representative; Robert Breeden, nursing home industry representative; Janet Williford, home health agency administrator representative; Chuck V. Griffin, architect representative; Joshua Crisp, RHA/assisted living representative; Sherry L. Robbins, MD, physician-medicine representative; Bobby Wood, consumer representative; Jim Shulman, Commission on Aging and Disability representative, ex officio; Gina Throneberry, Ambulatory Surgical Treatment Center representative; Patti Ketterman, hospital operated nursing home administrator; and Dr. Evelyn Brock, osteopathy representative. There is currently two vacancies of the Board's representatives, hospital operated nursing home administrator and osteopathic medicine representative.

BOARD MEETING DATES

June 6th and 7th, 2018
October 3rd and 4th, 2018

All board meetings begin at 9:00 a.m., Central Time. Board meetings are held at the board's office and are open to the public. Dates are subject to change, but are listed on the board's website. In the event of an electronic meeting, a conference room is made available to the public and is the location from which the electronic meeting is conducted.

BOARD STANDING COMMITTEES

The following standing committees of the Board met during the period from September 1, 2017 through February 28, 2018.

Performance Improvement Issues

September 14, 2017: The standing committee addressed one item at this meeting. The item for discussion was the continued deliberation of the ambulatory surgical treatment center (ASTC) rule, 1200-08-10-.01(7)(b), regarding the ASTC definition concerning four hours or less under anesthesia. The standing committee voted to allow a timed waiver allowing the routinely four hours or less for anesthesia requirement to be waived for six (6) months for Parkwest Plastic Surgery Center and to have within three (3) months a hearing before the standing committee to address the above rule.

December 5, 2017: The first item for discussion was to continue the standing committee's deliberation of ASTC rule, 1200-08-10-.01(7)(b) regarding the ASTC definition for four hours or less under anesthesia. Parts (a) & (c) of the definition were also considered by the standing committee. The standing committee voted to remove (a) & (b) of the ASTC definition and to include (c) as a part of the full body of the definition. An interpretative guideline (IG) was also approved by the standing committee to reflect the rulemaking language voted on and referenced above. The second item for discussion was the proposed nursing home rule language related to PC 355

regarding drug disposal. The standing committee voted to approve rule language that was presented to the committee.

LICENSURE STATISTICS

The Board for Licensing Health Care Facilities has licensed the following number of health care facilities as of February 28, 2018:

Hospitals: 126

Nursing homes: 319

Homes for the aged (RHA): 61

*Both applications' denials of the CHOW were reversed and ratified by the Board as an approved CHOW application.

CHANGE OF INFORMATION

Change in your contact information must be reported (in writing or by e-mail) to the board's office within 30 days! Please include the following:

- Your name and license number;
- Your facility type;
- Your old address and phone number;
- Your new address and phone number, e-mail address, and/or your fax number;
- Your SIGNATURE!

Keeping the board's administrative staff up to date on your facility's location and other important information concerning the operation of your facility facilitates the timely notification to you of important information such as your application for licensure renewal and important statutory and rule changes. You may fax your change to the board's administrative office at (615) 253-8798 or by mail at: 665 Mainstream Drive, 2nd Floor, Nashville, TN 37243. You also can e-mail the board at: TN.Health@state.tn.us.

Board's Fax Number: (615) 253-8798

Board's Website: www.tn.gov/health

BOARD APPEARANCE PROCESS

To make an appearance before the Board for Licensing Health Facilities, your facility must make a written request regarding the reason for appearing before the board i.e. waiver request, consent calendar request, etc. The written request must be received in the board's administrative office two (2) weeks prior to the scheduled board meeting date. Address your request to Mrs. Ann Rutherford Reed, R.N., director of the Board for Licensing Health Care Facilities. You may fax your request to the board's administrative office at (615) 741-7051 or (615) 253-8798 or by mail to: 665 Mainstream Drive, 2nd floor, Nashville, TN 37243. A letter specifying that your request has been accepted and placed on the agenda will be sent to you with the date, time, place, location and the need of a representative if required to appear before the board. If

more information is needed, the department will inform you immediately. **Please note: If you have not received a letter informing you that your facility has been placed on the board agenda following submission of your request, please contact this office immediately.**

If you have any questions or concerns regarding the board agenda or meeting, please contact Wanda E. Hines, board administrator at (615) 741-7586 or wanda.e.hines@tn.gov.

EMS REPORT

At the October 4th, 2017 Board for Licensing Health Care Facilities meeting, Robert Seesholtz, EMS Trauma System Manager, presented the EMS report. He provided the Board with updates of the February 10, 2017 Trauma Care Advisory Council Meeting report: Holston Valley Medical Center, Summit Medical Center, and Bristol Regional Medical Center. The institutions were previously visited the first part of the year and Mr. Seesholtz was pleased to announce that those required corrective action plans have been submitted and deemed appropriate for review. Mr. Seesholtz provided the board with results of a few trauma site visits for Stone Crest Medical Center, Sumner Regional Medical Center and Horizon Medical Center. Stone Crest Medical Center had met the requirements and standards to be designated as a provisional level 3 trauma center and a follow-up visit will occur in 1 year. Sumner Regional Medical Center had a follow up provisional designated in 2016 and multiple areas of improvement were noted and no deficiencies were found. As a result the trauma site review team recommended continued provisional level 3 for one year with a focused site review in 1 year. Lastly, Horizon Medical Center also had a follow-up provisional designated in 2016 and multiple areas of improvement were noted and no deficiencies were found. As a result the trauma site review team granted full designation as a level 3 trauma center.

At the February 7th, 2018 Board for Licensing Health Care Facilities meeting, Robert Seesholtz, EMS Trauma System Manager, presented the EMS report. He presented the Trauma Report which is not ready for public consumption and must still be presented to the legislature and the Trauma Care Advisory Council for approval. Mr. Seesholtz also presented to the Board the site visit occurrence at Blount Memorial and the facility's submission of a letter to remove the facility from participation in the trauma program. He also presented the last TCAC minutes.

NURSE AIDE REPORT

At the October 4th, 2017 Board for Licensing Health Care Facilities, Wanda King, Nurse Aide Program Manager, presented the nurse aide report. Mrs. King informed the board that there are 45,000 active nurse aides in Tennessee. Mrs. King further explained in order to become a nurse aide, an individual has to complete a competency exam that includes a

written and skilled portion of the test that administered by an independent contractor which had been contracted with the state for about 5 years. Mrs. King reported they are in the process in renewing the contract for the 3rd time since she has worked with the nurse aide registry. She informed since nurse aide last developed an RFP process that was fairly simple, is now quite involved. Now the nurse aide program has oversight from security, information technology and legal counsel as well. This process will now take 6 months at a minimal to develop a RFP and because of this they will not meet the deadline to have RFP release and availability for a new contract to be issued by January 2018. In order to address the needs of testing for nurse aides they are in process of preparing an application to go before the physical review committee and request a 6 month extension of the current contract. Mrs. King assured the Board they are working the best they can to ensure there is no interruption in those services and will keep the Board updated as she is informed about the RFP release.

There was no nurse aide report for the February 7th, 2018 Board for Licensing Health Care Facilities meeting.

INTERPRETIVE GUIDELINES

The following interpretive guidelines have been approved by the Board for Licensing Health Care Facilities and can be accessed in their final version at

- SUBJECT:** Multiple equipment exemptions – pediatric emergency care facilities Table 1; Part 2 Equipment
DATE: October 4, 2017
RULES: The Board for Licensing Health Care Facilities interprets the following items to be exempt from the rule requirements – laryngoscope handle and blades: omit the requirement for 11/2 straight or Miller blade; omit Bretylium; omit Ipecac; omit Sodium Bicarbonate 7.5%; tracheostomy tube sizes: size range is inappropriate, recommend changing requirement to Tracheostomy tube sizes 3 to 6 as compliant; urinary catheterization: Foley 6-14 Fr: the 6 Fr Foley size is not commercially available, recommend accepting a 6 Fr Feeding Tube as compliant; omit the requirement for Oxygen Blender; and change the requirement for Activated Charcoal from EED to EH for all facility levels.
- SUBJECT:** Ambulatory Surgical Treatment Center definition – ASTC rule 1200-08-10-.01(7)(a)&(b)
DATE: February 7, 2018
RULES: The Board for Licensing Health Care Facilities interprets that the above rule language be exempt from requirement by a facility – 1200-08-10-.01(7)(a)”surgical procedures performed must be limited to those procedures which are commonly

performed on an inpatient basis in hospitals but may safely be performed in an ASTC;” 1200-08-10-.01(7)(b)”if anesthesia is required for a surgical procedure, it must be local, regional or general anesthesia and routinely be four (4) hours or less in duration;” until new rule language is effective which removes the above two rules from the current ASTC Standards and incorporates 1200-08-10-.01(7)(c) into the full ASTC definition.

****REGULATION UPDATE****
